### APPLICATION FOR THE JURY ROSTER

Please provide 3-5 keywords that highlight your area of expertise:

---

Members of the jury will act as peer evaluators, providing recommendations for each Public Art project applicable through the Town's Public Art Policy. The Jury Roster will serve as a list of qualified artists and other community arts/design professionals (including architects, landscape architects, and educators or administrators in the arts or heritage fields) eligible to serve on Public Art juries. Each jury will include artists from the roster with knowledge pertinent to the project criteria. Jury members should be capable of providing a critical analysis of the artist's qualifications, as well as of the suitability of the proposal under review.

Application to the Jury Roster does not guarantee your participation on a jury. All applicants will be notified within a month of receipt of application to confirm their participation on the jury roster. Jurors may be required to evaluate proposals for commissioned pieces as well as art shows.

Please attach a complete CV (curriculum vitae) demonstrating your expertise as an artist or arts/design professional.

- I understand that by completing this application my information will be kept on file for a period of one (1) year and may be shared with members of the Public Art Subcommittee
