# Aqua Fitness Class Descriptions

## **Aqua Bootcamp**

Focus is on a cardio challenge, core strength and improving muscle tone from tops to toes! This aqua workout provides a low impact but a high energy challenge for participants of all ages, skills and fitness levels.

## **Aquafit Combo**

An "all exercise workout to music, participants will move through combinations of a total body workout as you move through all depths of the pool.

## **Aqua Leisure**

No instructor? No problem. This is a dedicated pool time for individuals 13 years of age & older to continue to work on their Aqua Fitness exercises at their own pace & intensity. No instructor will be present to teach a class.

## **Aqua Yoga**

This class is designed to relax, stretch and calm. Move through various yoga poses that increase flexibility. All poses will be adapted for the water.

## **Aqua Zumba®**

A 'pool party' workout for all ages! An effective and challenging workout that integrates the Latin flair of Zumba® in the water! Get ready to move and feel this class with the resistance of dancing in the water.

## **Diaper Fit**

An Aquafit program designed for parents and babies to enjoy the calming effects of the water together! For babies under the age of 3, flotation boats are offered to keep the baby afloat while the parents can participate in the shallow water workout. Babies must be able to sit upright unassisted.

## **Fit Forever**

Geared to 55 years old and up, you can expect to leave this class feeling great! With fitness-level focused choreography and intensity that can be modified, you can expect to be using the shallow and deep ends of the pool.

## **Hydro Power**

This invigorating class improves cardio conditioning, muscular strength and endurance using buoyancy and resistance of water. It removes the impact of high-intensity land workouts while still working the body and getting results!

## **H2O Repair**

This 30-minute gentle stretching and strengthening class takes place in the swirl pool. This class will ease your joints, muscles and help with injury recovery.
