Doug Ford  
Premier of Ontario

Sent via email: [premier@ontario.ca](mailto:premier@ontario.ca)

Dear Honourable Doug Ford:

Please be advised that Brantford City Council at its meeting held August 27, 2024 adopted the following:

**12.2.4 Legislative Amendments to Improve Municipal Codes of Conduct and Enforcement**

WHEREAS all Ontarians deserve and expect a safe and respectful workplace; and

WHEREAS municipal governments, as the democratic institutions most directly engaged with Ontarians, need respectful discourse; and

WHEREAS several incidents in recent years of abuse and workplace harassment have occurred amongst members of municipal councils; and

WHEREAS these incidents seriously and negatively affect the people involved and lower public perceptions of local governments; and

WHEREAS municipal Codes of Conduct are helpful tools to set expectations of Council members' behaviour; and

WHEREAS legislation would hold both accountable and protect all municipal offices; and

WHEREAS municipal governments do not have the necessary tools to adequately enforce compliance with municipal Codes of Conduct and support appropriate accountability when it comes to perpetrating violence and harassment in the workplace; and

WHEREAS the fundamental underlying principle of broadening diversity, equity and inclusion in politics rests on the assumption the workplace is safe; and

WHEREAS government legislation would require Councillors to comply with the workplace violence and harassment policies, establish a process for removing individuals in substantiated cases of egregious violence or harassment, as well as

prevent officials whose seats have been vacated for such reasons from seeking immediate or subsequent re-election; and

WHEREAS the aforementioned elements are consistent with previously developed legislation, as well as current legislation tabled (Bill 207, Municipal Accountability and Integrity Act, 2024).

NOW THEREFORE BE IT RESOLVED:

- A. THAT the Corporation of the City of Brantford supports the call of the Association of Municipalities of Ontario (AMO), Rural Ontario Municipal Association (ROMA), Ontario Municipal Administrators Association (OMAA), Association of Municipal Managers, Clerks and Treasurers of Ontario (AMCTO), and more than 207 municipalities, for the Government of Ontario to introduce legislation to strengthen municipal Codes of Conduct and compliance with them in consultation with municipal governments; and
- B. THAT the legislation encompasses:
- i. Updating municipal Codes of Conduct to account for workplace safety and harassment;
  - ii. Creating a flexible administrative penalty regime, adapted to the local economic and financial circumstances of municipalities across Ontario;
  - iii. Increasing training of municipal Integrity Commissioners to enhance consistency of investigations and recommendations across the province;
  - iv. Amending the Municipal Act, 2001 to require the establishment of a Board of Integrity Commissioners;
  - v. Amending both, the Municipal Act, 2001, and the City of Toronto Act, 2006, to allow a Commissioner of the Board of Integrity Commissioners to make an application for judicial review to vacate a member's seat and impose prescribed penalties if the Commissioner is of the opinion that the member has made certain contraventions of the Code of Conduct;
  - vi. Adding provisions to both Acts to allow the Commissioner to seek confirmation of certain determinations from a judge of the Superior Court;
  - vii. Introducing provisions to prohibit a member who has been removed from office from running in the election for the remainder of the term and the subsequent term; and
- C. THAT a copy of this resolution BE FORWARDED to the Premier of Ontario, Doug Ford; Minister of Municipal Affairs and Housing, Paul Calandra; Attorney General, Doug Downey; Charmaine Williams, Associate Minister of Women's

Social and Economic Opportunity; Will Bouma, Member of Provincial Parliament; Larry Brock, Member of Parliament; the Association of Municipalities of Ontario (AMO); and Ontario municipalities.

I trust this information is of assistance.

Source: York Region, Corporate Services, Long Range Planning Branch, based on Statistics Canada data and CMHC Housing Completion data.

Notes: Population figures include an adjustment for the Census undercount.

The population estimates are calculated by the following method:

- a) CMHC housing completion data is added to the 2021 occupied households, and minor adjustments are made to the total occupied households for demolitions and vacancies.
- b) A declining person per unit factor by household type is applied to the occupied household estimates to derive a population estimate.
- c) An estimate of the population in institutions is then added to the preliminary population estimate.
- d) An undercount adjustment is then applied to generate a final population estimate.
- e) The population estimates do not include an analysis of migration and natural increase data.

**RE: Municipal Elections Act Update**

---

On behalf of the Council of the Corporation of the Township of Lake of Bays, please be advised the above-noted correspondence was presented at the last regularly scheduled Council meeting on September 10, 2024 and the following resolution was passed.

**“Resolution TC-227-2024**

**WHEREAS** election rules need to be clear, supporting candidates and voters in their electoral participation and election administrators in running elections.

**WHEREAS** legislation needs to strike the right balance between providing clear rules and frameworks to ensure the integrity of the electoral process,

**WHEREAS** the legislation must also reduce administrative and operational burden for municipal staff ensuring that local election administrators can run elections in a way that responds to the unique circumstances of their local communities.

**WHEREAS** the *Municipal Elections Act, 1996* (MEA) will be 30 years old by the next municipal and school board elections in 2026.

**WHEREAS** the MEA sets out the rules for local elections, the *Assessment Act, 1990* and the *Education Act, 1990* also contain provisions impacting local elections adding more places for voters, candidates, and administrators to look for the rules that bind the local democratic process in Ontario.

**WHEREAS** with rules across three pieces of legislation, and the *MEA* containing a patchwork of clauses, there are interpretation challenges, inconsistencies, and gaps to fill.

**WHEREAS** the Act can pose difficulties for voters, candidates, contributors and third-party advertisers to read, to interpret, to comply with and for election administrators to enforce.

**WHEREAS** while local elections are run as efficiently and effectively as can be within the current legislative framework, modernization and continuous

improvement are needed to ensure the Act is responsive to today's needs and tomorrow's challenges.

WHEREAS to keep public trust and improve safeguards the Act should be reviewed considering the ever-changing landscape which impacts elections administration including privacy, the threats of foreign interference, increased spread of mis/disinformation and the increased use of technologies like artificial intelligence and use of digital identities.

WHEREAS the Association of Municipal Managers, Clerks, and Treasurers of Ontario (AMCTO) reviewed the Act and has provided several recommendations including modernizing the legislation, harmonizing rules, and streamlining and simplifying administration.

AND WHEREAS AMCTO put forward recommendations for amendments ahead of the 2026 elections and longer-term recommendations for amendments ahead of the 2030 elections.

THEREFORE BE IT RESOLVED THAT Council of the Corporation of the Township of Lake of Bays calls for the Province to update the MEA with priority amendments as outlined by AMCTO before Summer 2025 and commence work to review and re-write the MEA with longer-term recommendations ahead of the 2030 elections.

The public is invited to attend the Public Planning Meeting to receive information and provide comments on the proposed Official Plan Amendment and Zoning By-law Amendment applications, concerning the lands subject to the Highway 11 Corridor Study Area in the Township of King in accordance with Section 17 and Section 34 of the *Planning Act, R.S.O. 1990*, Chapter P.13, as amended.

**Why is the Township Amending the Our King Official Plan (2019) and Countryside Zoning By-law (By-law 2022-053)?**

The Township has been conducting a land use planning study for the Highway 11 Corridor, as outlined in Section 6.12.2 of the Our King Official Plan, also known as Countryside Site-Specific Policy Area 2 (C-SSPA-2). The Study informs a proposed land use framework that conforms to Provincial plans and policies while promoting desirable redevelopment of the Corridor, reflecting its strategic location and regional role.

Amendments to the Our King Official Plan (2019) and Countryside Zoning By-law 2022-053 are proposed for the Highway 11 Corridor Study Area to meet the intent of C-SSPA-2 and advance the recommendations set forth in the Highway 11 Corridor Study Final draft Discussion Paper.

The proposed amendments are summarized below under "Proposed Changes".

**Proposed Changes**

The Official Plan Amendment for the Highway 11 Corridor proposes to delete current policies in Section 6.12.2 and replace them in their entirety, amend Schedule E, and add a new Schedule E8. The Amendment proposes to establish a vision and set out land use objectives to support the regeneration of the Corridor. The Amendment also proposes policies to address the natural heritage system, permitted uses, archaeological potential, wellhead protection and recharge management, urban design, built form, site access and parking facilities, landscaping, public realm, servicing, and transportation and mobility.

*Continued...*

The Zoning By-law Amendment proposes to update the permitted uses and provisions regulating the scale, intensity, and location of the uses in accordance with the proposed Official Plan Amendment. These changes include introducing definitions, provisions for agricultural-related uses, parking requirements, and permitted uses, as well as replacing an existing definition. The Amendment also proposes a new area-specific exception which further identifies permitted uses, lot and building requirements, and holding provisions. The area-specific exception proposes to consolidate the existing site-specific exception zones of 29, 90, 100, 119, 157, 172 and 175 on Schedules A8 and A9.

**Re: Immediate Action Needed To Support Ontario's Forest Sector**

Minister Graydon Smith and Associate Minister Nolan Quinn,

Congratulations on your recent appointments within Premier Doug Ford's Cabinet. The Ontario Forest Industries Association (OFIA) looks forward to our productive and continued work together.

Over the last six months, three of Ontario's six pulp and paper mills have permanently closed or idled. Adding to the issue was the closure of a critical softwood pulp market in Quebec. As you know, these facilities served as important consumers of solid-wood byproducts from Ontario sawmills.

The OFIA appreciates the many opportunities we have had to speak with you and senior leadership within Ontario's Ministry of Natural Resources (MNR) and Premier's Office. This includes in-person meetings with members of OFIA's Board Executive Committee on January 19<sup>th</sup>, March 19<sup>th</sup>, and May 28<sup>th</sup>, 2024. During these meetings, the OFIA presented short and long-term actions Ontario could take to address the regional chip and pulpwood market crisis endorsed by the OFIA membership (incl.).

The industry eagerly anticipates government action on this matter, as operating conditions for many have continued to worsen over the past six months. Combined with weak markets for some finished products, many companies struggle to continue their operations. We are now facing an unprecedented challenge in the sector, which could have negative and long-lasting implications for northern and rural communities across Ontario.

Without immediate action in response to OFIA recommendations and, critically, the vetting of potential solutions through the industry to ensure programs truly meet the sector's needs, we fear Ontario could face further curtailments, job losses, and lost economic opportunity.

The OFIA is ready to work with the Ontario government to set the forest products sector on a long-term and stable path towards economic development and prosperity. This includes our

vision of a *Forest Energy Directive* to develop bioheat, district heating, liquid fuels, renewable gases, biocarbon, and electricity generation projects, supporting Ontario's massive forecasted growth in non-emitting energy demands.

We urge you and your colleagues to continue supporting all measures targeting the immediate challenges the Ontario forest sector faces and look forward to future discussions with you.

Resolution # 2024-09-04-10  
Moved By: Councillor Quade  
Seconded by: Councillor Keller

**“WHEREAS** the state of health care in Ontario is in crisis, with 2.3 million Ontarians lacking access to a family doctor, emergency room closures across the province, patients being de-rostered and 40% of family doctors considering retirement over the next five years; and

**WHEREAS** it has becoming increasingly challenging to attract and retain an adequate healthcare workforce throughout the health sector across Ontario; and

**WHEREAS** the Northern Ontario School of Medicine University says communities in northern Ontario are short more than 350 physicians, including more than 200 family doctors; and half of the physicians working in northern Ontario expected to retire in the next five years.

**WHEREAS** it is apparent that the Ontario Government has overlooked the needs of small rural Ontario; **AND**

**WHEREAS** Ontario's small rural municipalities face insurmountable challenges to fund both upfront investments and ongoing maintenance of their capital assets including roads, bridges, water/wastewater and municipally owned buildings including recreational facilities, libraries and other tangible capital assets:

Dear Minister Piccini:

**Re: Regulations for the Importation and Safe Use of Lithium-Ion Batteries**

I am writing today to bring to your attention a matter of significant importance to the Township of Otonabee-South Monaghan, regarding the Importation and safe use of lithium-ion batteries.

At the June 17, 2024 Council Meeting the Fire Chief of the Township of Otonabee-South Monaghan made a presentation to Council on the dangers presented by lithium-ion batteries. The Fire Chief was reporting back from attending the Charged For Life Symposium presented by the Office of the Fire Marshal.

During the presentation, the Fire Chief stressed that the increased importation and use of non-Original Equipment Manufacturer (OEM) aftermarket batteries is presenting a significant increase in fire and explosion, putting citizens and responding personnel in danger. These after market batteries are not Underwriter Laboratories of Canada (ULC) certified but can be imported into Canada without any associated regulations.

Unlicensed persons and locations can store and modify lithium-ion batteries in our communities without regulations, providing dangerous conditions within a community. Charging these batteries within the home or multi-unit dwellings can result in larger fires with grave results.

Visit our website at [www.osmtownship.ca](http://www.osmtownship.ca) or follow us on Twitter @OSMTownship

**As Canada becomes more aware of Green Energy solutions, these batteries are used more often, increasing the danger to our communities. We support the Ontario Fire Marshal's program to educate citizens on the danger associated with lithium-ion batteries and encourage every municipality to actively promote safe practices for the use of lithium-ion batteries.**

**We also call upon all levels of government to enact regulations for the importation, sale, storage, and use of non-OEM or ULC certified lithium-ion batteries.**

**Thank you in advance for your attention to this very critical issue, and I look forward to your prompt consideration and support.**

**Please do not hesitate to contact me or our Fire Chief if you require any additional information.**

**Yours truly,
