The Hon. Doug Ford, Premier of Ontario
 Legislative Building
 1 Queen's Park
 Toronto, ON M7A 1A1

Dear Premier Ford:

**RE: Town of Kingsville Council Resolution #336-08292022 in opposition to
 Bill 3, Strong Mayors, Building Homes Act, 2022**

At its Special Meeting held August 29, 2022 Council of The Corporation of the Town of Kingsville passed a Resolution against Bill 3 as follows:

Resolution #336-08292022

Moved by Councillor Kimberly DeYong
 Seconded by Councillor Laura Lucier

“WHEREAS the Government of Ontario, through the Minister of Municipal Affairs and Housing, has introduced Bill 3 which is described as "An Act to amend various statutes with respect to special powers and duties of heads of council";

AND WHEREAS this Bill, if enacted, will initially apply to the City of Toronto and City of Ottawa, but will later be expanded to include other municipalities according to a statement made by the Premier at the 2022 AMO annual conference;

AND WHEREAS this Bill, if enacted, will give Mayors additional authority and powers, and correspondingly take away authority and powers from Councils and professional staff, and will include giving the Mayor the authority to propose and adopt the Municipal budget and to veto some decisions of Council;

AND WHEREAS this Bill, if enacted, will give authority over professional staff to the Mayor, including that of the Chief Administrative Officer;

AND WHEREAS these changes will result in a reduction of independence for professional staff including the CAO, who currently provide objective information to the Council and public and will now take direction from the Mayor alone when the Mayor so directs;

AND WHEREAS these are surprising and unnecessary changes to the historical balance of power between a Mayor and Council, and which historically gave the final say in all matters to the will of the majority of the elected Council.

THEREFORE, this Council of the Town of Kingsville, passes this resolution to petition the Government of Ontario that:

1. These changes to the *Municipal Act, 2001*, are unnecessary and will negatively affect the Town of Kingsville;
2. That if the Ontario Government deems these changes necessary in large single-tier municipalities such as Toronto and Ottawa, that such changes should not be implemented in smaller municipalities;
3. That the Ontario Government should enact legislation clarifying the role of Mayor, Council and Chief Administrative Officer, similar to those recommended by the Ontario Municipal Administrator's Association and those recommended by Justice Marrocco in the Collingwood judicial inquiry of 2020; and
4. That if the stated goal of this legislation is to construct more housing in Ontario that this can be accomplished through other means including amendment of the *Planning Act* and funding of more affordable housing.

Council further directs the Clerk to ensure that a copy of this resolution be provided to the Premier of Ontario, the Minister of Municipal Affairs and Housing, the "Standing Committee on Heritage, Infrastructure and Cultural Policy", Kingsville's MPP, the Association of Municipalities of Ontario, and other Municipalities in Ontario."

Ministry of Agriculture, Food and Rural Affairs

Guelph, ON N1G 4Y2

Dear Minister:

Re: Ontario Wildlife Damage Compensation Program

We are writing to you today on behalf of our municipality regarding the administration fees related to wildlife damage claims. This program is necessary to protect our farm producers from the devastating losses incurred when they lose livestock to predators.

At the June 28, 2022 Regular Council Meeting the attached Resolution was passed by Council.

Our Council's concern is the administration fee paid to municipalities to administer the program on the Ministry's behalf which was recently increased from \$30.00 per claim to \$50.00 per claim.

We have recently contracted for a new Livestock Investigator resulting in the following costs directly related to wildlife claims:

Hourly Rate: \$25.00/hour
Mileage Rate: .50/km

On the most recent invoice for this service there were three wildlife claims with costs as follows:

1. April 28, 2022 – 3 hours + mileage = \$95.00
2. May 5, 2022 – 2.5 hours + mileage = \$75.00
3. May 8, 2022 – 3.5 hours + mileage = \$120.00

There is also time spent by municipal staff in preparing the wildlife claims for submission and monitoring the claims for payment to the livestock owner.

This results in a loss on each wildlife claim for our taxpayers to bear to be able to provide this necessary service to our farm producers.

Ministry of Agriculture, Food and Rural Affairs
Page 2
July 4, 2022

We respectfully request that the Ministry consider increasing the administration fee on wildlife claims to help offset the increasing costs associated with Livestock Investigation.

We look forward to hearing from you about this matter at your earliest convenience.

Subject: Change to Healthcare Connect System - Canadian Forces Member

Good afternoon;

Please find below a resolution that was passed September 6, 2022 by Council of the Municipality of Brighton looking for support regarding changes to be made to the Healthcare Connect System for Members of the Canadian Armed Forces.

Resolution No. COU-2022-329

Moved by Councillor Mark Bateman

Seconded by Mayor Brian Ostrander

Whereas Brighton is a community with a significant military population;

And whereas military personnel are from time to time released from their duties for medical reasons;

And whereas military personnel are attached to healthcare through the Canadian Armed Forces which ceases after the date of military release;

And whereas released military personnel are unable to register with Healthcare Connect until after their release date, providing a healthcare gap;

And whereas the notice for release dates are well in advance of the actual date of release from the Canadian Armed Forces;

Now therefore be it resolved that the Municipality of Brighton endorse that the Ontario Government change the access rules to Healthcare Connect to permit the registration of military personnel into the Healthcare Connect system once those Canadian Forces Members are provided with a release date;

And further that this motion is circulated to the Premier of Ontario, the Minister of Health, MPP David Piccini, and all municipalities across Ontario and the Association of the Municipalities of Ontario (AMO) for endorsement.

Dear Minister Clark:

Re: Strong Mayors, Building Homes Act

Please be advised that the Council of the Town of Wasaga Beach, during their August 18, 2022 Council meeting adopted the following resolution:

“That Council receive the letter dated August 10, 2022 from the Ministry of Municipal Affairs and Housing pertaining to Strong Mayors, Building Homes Act, for information;

And further that a letter be sent to the Minister of Municipal Affairs and Housing outlining these proposed powers are not appropriate and to outline other ways for the province to institute housing and other matters, and that the motion be circulated to all Ontario municipalities.”

The Town of Wasaga Beach Council does not support the Strong Mayors, Building Housing Act as the proposed changes will not demonstratively speed up the construction of housing and will erode the democratic process at the local level where members of Council have to work together to achieve priorities. What is needed to speed up construction of housing is greater authority for local municipalities to approve development without final clearances from outside agencies after they have been given reasonable time to provide such clearances.

Your favourable consideration of this matter is appreciated.

Should you have any questions, please contact me at mayor@wasagabeach.com or (705) 429-3844 Ext. 2222.

Dear Head of Council:

As Ontarians face the rising cost of living and a shortage of homes, our government was re-elected with a strong mandate to help more Ontarians find a home that meets their needs.

Our government also made an election promise to build 1.5 million new homes for the people of Ontario over the next 10 years to address the housing supply crisis.

I am pleased to inform you that our government introduced the proposed Strong Mayors, Building Homes Act on August 10, 2022, that, if passed, would make changes to the *Municipal Act, 2001*, *City of Toronto Act, 2006*, and the *Municipal Conflict of Interest Act*. These amendments would empower mayors in the City of Toronto and City of Ottawa to deliver on shared provincial-municipal priorities and get more homes built faster.

If passed, the proposed changes impacting the City of Toronto and City of Ottawa are intended to take effect on November 15, 2022, which is the start of the new municipal council term. Other growing municipalities could follow at a later date.

If you have any comments or feedback regarding these proposed changes, you may submit them to the Ministry of Municipal Affairs and Housing at: StrongMayors@ontario.ca.

Sincerely,
