BBQ season is upon us. Keep these tips in mind to prevent fires and accidents:

REMINDER: MIND YOUR PETS. KEEP THEM LEASHED

Our furry-legged friends love the trails but not all trail users know how to act around pets. Please remember to keep pets on a leash at all times, except when inside the Newmarket off-leash dog park. Please also remember to bring waste bags to pick-up after your pet and dispose of the waste in waste receptacles.

INSTALL BURLAP BANDS. PROTECT TREES FROM SPONGY MOTHS

Spongy moths are currently in their caterpillar stage. Install burlap bands around your tree to slow down the caterpillars from climbing up the tree and feeding on its leaves. See a step-by-step guide video on how to install burlap bands at newmarket.ca/iddmoth

TURTLE LAYING SEASON

It is turtle laying season in Newmarket. Please take extra caution, keep your eyes open and respect their habitats. If you spot a new nest, email info@newmarket.ca
