

COUNCIL'S 2014-2018 STRATEGIC PRIORITIES PROGRESS REPORT

DECEMBER 2018

MESSAGE FROM THE MAYOR

On behalf of Newmarket Council, it is my pleasure to share Council's Strategic Priorities for our 2014-2018 term.

Council and staff worked together to create a framework for action guided by the following five themes:

- Economic Development / Jobs
- Enhanced Recreational Opportunities
- Community Engagement
- Efficiency / Financial Management
- Traffic Safety & Mitigation

While each theme is equally important on their own, combined they are the cornerstones for our future success. Contained within the five themes are 14 strategic priorities Council wishes to focus on for this term. This Progress Report outlines key initiatives and actions on how Council and staff will achieve these goals and priorities. I encourage you to read and understand our priorities and action plans as we align our efforts and shape our direction to achieve our vision of a community that is *Well* beyond the ordinary.

A heartfelt thank you to our residents, staff, community partners, businesses and my fellow Council members – it is your efforts and inspiration that have made us one of the best places to live in Canada.

Tony Van Bynen
